

Please review and sign the following agreement regarding enrollment in the High School ACCESS program at the University of Colorado Boulder (CU Boulder). *This form will need to be completed every term.*

Privacy and Third Party Access

- [The Family Educational Rights and Privacy Act of 1974](#) (FERPA) is a federal law that protects the privacy of student education records.
- I understand that parents, guardians, and other third parties cannot obtain information about my record unless I [authorize](#) that individual through my [Buff Portal](#) account.

Permanent Academic Record

- I understand that if I choose to enroll in courses at CU Boulder, these courses will become part of my permanent academic record and will appear on my University of Colorado transcript.
- I understand that the GPA I earn in my college courses may impact my high school GPA, my CU GPA, future college admission, and future financial assistance awards.

Electronic Communication Requirement

- I understand that email is the official form of communication at CU Boulder. The university communicates about bills, opportunities, assignments, and emergencies via CU Boulder email, and I agree to check my colorado.edu email account regularly.

Tuition and Fees

- I understand that enrolling in college courses will incur tuition and fees. Failure to pay by the established due dates will result in finance charges, and may lead to collections processing.
- I understand that I will not receive a paper bill, but will instead have access to my bill via the CU Boulder student portal.
- I understand that I may be eligible for the [College Opportunity Fund](#) (COF) stipend, which pays a portion of my total tuition to CU Boulder. I understand that I must apply for and authorize COF to avoid paying the higher total tuition rate.

MOU Expectation

- I understand I must complete the High School ACCESS MOU form each term I wish to enroll.

Students Receiving High School District Assistance

- I understand that my school district may have a separate application process and deadlines for tuition/fees assistance. It is my responsibility to submit materials by the district's deadlines.
- I understand that my district may have specific earned college course grade requirements for any coursework approved for district tuition/fees assistance, and failure to meet these grade requirements may result in financial and academic consequences with the district.
- I understand that if I have been approved to receive tuition/fees assistance from my school district, I may have a remaining balance to CU Boulder for which I am responsible.
- I understand that if I enroll in any courses which were not approved by the district, I will be responsible for the full tuition and fees.
- I understand that it is my responsibility to follow any school district application and tuition/fees assistance guidelines. If I have any questions regarding these guidelines, I will contact my high school counselor and/or district official to clarify requirements and consequences.
