UNIVERSITY OF COLORADO BOULDER Tuition and Fee Agreement and Disclosure

The payment of all tuition, fees and charges becomes an obligation of the student upon registration at the University of Colorado Boulder (“university”). By agreeing to these terms and conditions, I authorize the university to add to my account all tuition and fees.

Bills

After I register, I understand that my bill will be made available online, and I will be sent notification of its availability at my university (@colorado.edu) e-mail address. If I do not receive an e-mail notification, I agree that I am still responsible for the required payment. See the university’s Continuing Education website ce.colorado.edu for specific dates and deadlines each semester.

Payment

I understand that I am registering for educational courses at the university. I hereby acknowledge and agree that I am fully responsible for the cost and expense of all tuition, fees, and other related educational expenses associated with my receipt of educational services at the university. I am responsible to review the current tuition and fee charges at CUBill&Pay, accessible via Buff Portal: <https://BuffPortal.colorado.edu>.

Tuition and fee charges are subject to change every term. I understand that I am responsible for maintaining my current address and phone number via Buff Portal: <https://BuffPortal.colorado.edu>.

If I expect financial aid to pay all or part of my financial obligation to the university, I understand that it is my responsibility to meet all requirements for disbursement to my student account. It is my responsibility to ensure that all requirements of grantors, lenders, employers and other third party payers are met on a timely basis. I understand that if my financial aid is reduced or cancelled due to eligibility, I will be responsible to pay back to the university any amounts that I am not eligible for under applicable financial aid guidelines.

Payment Plans

I understand that I have the option to pay my tuition bill over a period of time by enrolling in a payment plan if I am eligible. If I am eligible and choose to enroll in a payment plan, the following terms apply:

- 1) Payments must be made through automatic bank payment (ACH) from a regular checking or savings account, or a credit/debit card. (A nonrefundable 2.75% service fee applies to each credit/debit card payment)
- 2) Enrollment fee of \$25-45 applies, depending on the plan.
- 3) A \$30 returned payment fee applies to returned payment plan payments.
- 4) The amounts I need to pay may change due to recalculations resulting from changes to my bill, such as adding or dropping classes, tuition waivers, financial aid, etc. If this occurs, I understand and agree to take action to rebalance my payment plan by logging in to Buff Portal and following the on-screen instructions.
- 5) I agree to abide by the Terms and Conditions of the Payment Plan Agreement if I choose to enroll.
- 6) If I do not pay an installment by the deadline, I will be assessed a one percent (1%) per month finance charge on the unpaid balance.
- 7) Information and instructions for payment plans are available on the university’s Continuing Education website ce.colorado.edu.

Returned Payment Policy

I understand that I will be assessed a \$20 fee for each payment returned (regardless of the amount). I will be assessed a one percent (1%) finance charge on the unpaid balance. I may be required to use certified funds to make payments.

Withdrawal

I understand that if I do not officially withdraw from registered courses during the 100% tuition refund/credit period, I will be responsible for paying some portion or full tuition amount and fees based on the date that I officially withdraw. I may incur additional charges, including but not limited to, room, board, and other departmental or university fees.

Failure to Pay

If I do not make the required payment in accordance with the scheduled payment deadline and my student account becomes past due, I will pay a finance charge on the unpaid balance of my tuition and fees. The university will calculate the finance charge by applying the periodic rate of one percent (1%) per month (Annual Percentage Rate of 12%) to the unpaid balance amount less any payments or credits made. I understand that I may avoid assessment of finance charges by paying the full amount of the tuition and fees due by the published date.

I understand that if I am eligible for a payment plan option and I elect to enroll in a payment plan, I am responsible for any unpaid balance on my student account if an authorized payer and plan owner fails to honor the terms and conditions of the Payment Plan Agreement.

Past Due Accounts

I understand that if I fail to pay the total amount due for all charges, I am subject to the following penalties:

1. Registration for future terms will not be allowed.
2. No transcripts, diplomas, or certification materials will be issued to me until my bill is paid in full.
3. My past due account may be referred to the university's Continuing Education's Bursar/Collection Department or the university's Student Debt Management Department for collection.
4. If my account is referred to an outside collection agency, the delinquency may be reported to national credit bureaus.
5. If my account is referred to an outside collection agency, I agree to reimburse the university for collection agency costs, expenses, and fees incurred by the university in such collection efforts; and, I understand that such collection costs, expenses and fees may include percentage-based fees charged to the university by collection agency, including percentage-based fees of up to 30% of the debt collected. Any collections costs stated above are charged in addition to the principal, fees and interest due on my student account.
6. I am responsible for reasonable attorney's fees and court costs associated with collecting or enforcing my past due account as allowed under Colorado law.
7. Pursuant to Colorado Law (C.R.S. § 23-5-115), in the event of a default of my account owed to the university, the university may certify to the Colorado Department of Revenue (DOR) information about me, including my name, social security number, the amount of the debt and any other identifying information required by the DOR. The DOR may then disburse funds to the university in satisfaction of that debt from tax refund amounts owed to me, if any.

All outstanding tuition account balances are considered qualified educational loans under 26 United States Code (USC) § 221 and are extended with the express understanding that future repayment shall be made to the university. I further understand that my acceptance of these terms represents my acknowledgement and acceptance of my student account balance as a qualified education loan under Internal Revenue Code 221, and as such, its exemption from discharge under the federal bankruptcy code, 11 USC (USC) § 523(a)(8).
